This image shows the completed chassis of the LEGO Technic car. The motor is mounted on the left, connected to a series of gears that drive the rear axle. The front suspension is visible, featuring a spring and a shock absorber mechanism. The entire assembly is built using a combination of black, grey, and white Technic bricks and beams.

This image shows a completed LEGO Technic model of a car chassis. The base is constructed from grey Technic bricks. The body is built using yellow and black Technic bricks. A blue motor is attached to the rear of the chassis. The model is shown from a side-on perspective, highlighting its mechanical components and the arrangement of the bricks.
